

Aldersley District Information Bulletin

December 2011

November is THE Scouting Month

I've just got back from the District Swimming Gala. Rob and the Active Support had laid on a great event. I was a bit disappointed by the turnout but then I stopped and thought about all that has gone on this month. The month started with Bonfire Night and then the Gold Chief Scout's Award Presentation at Warrington. The next weekend there was the County Swimming Gala and Remembrance Day Parades (I joined Aldersley Edge Group for their parade). Then we had the Chilli Bakeoff / Cheshire Challenge and the District Swimming Gala and that's ignoring all the weekly section meetings! So, with hindsight, thank you everyone for your commitment and I hope you had a good month.

Campfire Songs

We had a good Campfire at the Sunrise Camp but it would have been improved if we all knew a few songs. I have a CD with 50 Old and New Campfire Favourites (No, it's not a Ronco Compilation!) and I thought we could all have a copy to learn some tunes before the Sunset Camp. What are you or your Sections favourite Campfire Songs?

The Big Camp

Final reminder to get your deposits in for the Big Camp.

50 Years Young!

The Band will be celebrating its 50th Anniversary in 2013 and we will be having a celebratory event in July 2013. But that's ages away, I hear you mutter. Yes it is but we need get in touch with as many former members as possible. So if you are a former Band member or you know someone who is, let Judith Simpson know (judithsimpson@croft67.fsnet.co.uk).

These are some of the faces we want to contact (about 5mins 30secs in):

Date for your Diary: We are planning a Social Event for Former Members on Saturday, 10th March 2012

County Scout Sunday

Following a joint meeting of District Commissioners and County Team held on 1 November, the County Executive have accepted the recommendation that following the County wide consultation, County Scout Sunday will continue. They also accepted a recommendation from the joint meeting that the style, format and date of County Scout Sunday should now be considered. The next County Executive meeting) will consider how this piece of work will be undertaken, although it is likely that any significant changes will take effect from 2013. The next major review of County Scout Sunday, if required, will be in 5 years time. The date for County Scout Sunday in 2012 will be Sunday 10th June, to be held in Chester with Knutsford taking the lead. A significant number of people indicated that they would like an "enhanced day" and this will be discussed at the next County Team meeting.

I will be inviting people who have earned their Chief Scout Award or their Wood Badge over the last twelve months to represent the District.

Cheshire Challenge

The Badge is made up of three parts; Bronze, Silver and Gold. We would expect that Groups would be able to award the Bronze section around Easter time, the Silver section before the summer break and the Gold section at Christmas. The badge sections should be awarded to all those who actively took part in the Challenge in the section during the year. A record card is included to assist you.

Position of the Badge: The badge will be worn on the right hand side of the shirt/jumper.

Ordering the Badge: The three badges come as a set and are ordered through the District. Your initial order needed to be in by Friday 18 November and they will be available for distribution in January. There will an opportunity to place a further order in May 2012 for distribution at the end of June.

Awarding the Badges: The bronze badge must not be worn before Friday 30 March 2012, the silver badge must not be worn before Friday 1 June 2012 and the gold badge must not be worn before Friday 23 November 2012.

All the badges achieved can be worn until 31 December 2013. Badges should be presented as each individual achieves the required points for each award, please don't wait until all three have been achieved before presenting the badges.

Moving Sections: A key point of this initiative is to encourage "moving on" between sections therefore if a Beaver gains the bronze award when they move into Cubs the silver and gold badges should go with them to Cubs where the expectation is that they will achieve the silver and gold award.

Adults and Cheshire Challenge: All adults are encouraged to participate in activities and events to gain the Cheshire Challenge badges.

Copies of the booklet were distributed at the District Launch on the 20th November. If you don't have yours, contact your Group (Groups can get copies from me).

The Challenge is a great help in programme planning. For example, Alderley's Got Talent is an ideal activity for the February part of the Challenge 2012 - as the show involves all six Sections, it's a massive 60 points for anyone taking part. We will have more ideas of how you can earn points in the next issue of DIB.

Chief Scout's Commendation for Good Service

I am delighted to announce that the Chief Scout, Bear Grylls, has awarded the following leaders the Chief Scout's Commendation for Good Service to the Scout Movement.

Gill Beeley	CSL	1 st Chelford
Linda Elliott	GSL	1 st Goostrey
Helen John	ASL	1 st Holmes Chapel
Richard Pickering	ASL	1 st Chelford
Alison Wright	CSL	1 st Holmes Chapel

Congratulations to all of you. Their Certificates will be presented at the Alderley's Got Talent Evening in January.

Once a year, I review all the leaders in the District and make my recommendations to HQ for awards. However, I am not infallible and if you think that a leader in your group should have their efforts recognised please drop me a personal note with your reasoning and I will consider your suggestions carefully. Remember the leader has to have a Wood Badge for their current role to be considered.

Home and Away

1st Lindow invited Sixth Wilmslow to join their meeting on the theme of Good Turns.

Two Scouts from Sixth joined in with polishing brasses in the church, planting bulbs at the cricket ground and cooking. At the end of the same week, Sixth invited Lindow to "Operation Nighthawk". This is an inter-Patrol competition to which older Cub Scouts were invited as well. The evening took the form of several challenges on the theme of Towers and Tubes. Towers were built of a whole variety of materials including LEGO, spaghetti, canes, sugar cubes, newspaper and lots more.

The small number of Scouts who took part reflects the difficulty of organising a second Scout meeting in the same week as one's own meeting. Several of my Scouts are committed elsewhere on a Monday and Lindow Scouts had the same problem with Friday.

If the event is repeated, exchanging with Troops that meet on the same night will increase the likelihood of higher numbers taking part. Despite that, those who took part enjoyed the experience and it is worth repeating.

Ian Ross,
6th Wilmslow

1st Goostrey Scouts visited 1st Wilmslow on 14th November to play an excellent wide game on Lindow Common. Even though it wasn't our usual meeting night we had a good turn out with 17 of our Scouts turning up. They all really enjoyed the game and it is one we will repeat again, even though we were beaten. Next time our game on our soil!

Neil Memmott,
1st Goostrey

Two scouts from 6th Wilmslow visited us on our Monday troop night when we were running a good turns evening. They joined in polishing the brass at church and then we all planted bulbs outside Lindow school. We finished by polishing each other's shoes! At the end of the meeting all scouts were challenged to do a good turn a day for the next 7 days – with big rewards at the next meeting. I don't know what they made of it but it was great to see them.

As an extra bonus we were asked to go to 6th Wilmslow on their Friday troop night. We were a little low on numbers as there was just 1 scout and myself who visited. I already knew the leaders but I was interested myself on how things are done elsewhere. We were made very welcome and joined in 'Operation Nighthawk' – which was both inside and outside. Our groups are quite different in terms of size and character and I thought this was a great initiative. ‘

Ian Moffitt,
1st Lindow

On Tuesday 28 November, Goostrey Cubs hosted Holmes Chapel Dane Cubs for an evening that promised to be fun filled. 44 Cubs, 22 from each pack, enjoyed getting to know each other, followed by a fast and furious chair-passing relay before sharing a Grand Howl to officially start the evening. Then it was on to the Grand Goostrey Olympic Challenge. Teams were made up for Cubs from both packs to compete in a selection of Olympic style activities. Points were awarded for each activity which included the high jump, long jump, standing jump, throwing the discus and even tightrope walking. To finish the evening off and to entertain the parents, all the Cubs took their places for a tug of war which was declared a draw. After the closing ceremony, everyone left the village hall (it had been booked especially by Goostrey to accommodate the large numbers) with smiles on their faces and weary muscles from the evening's exertions.

Thank you everyone at Goostrey, especially Tony, for a fabulous, fun evening and we are already looking forward to hosting you at our Athletics Extravaganza in the summer.

1st Chelford Scouts

July 31st – August 6th, 1st Chelford Scouts went across the water for the first time on a week long camp to the Isle of Man. We stayed at the Venture Centre and had a fun packed week planned.

There were between 3-5 activities a day including:

- Coast steering, jumping off rocks into the sea and scrambling back up onto rocks.
- Gauge walking, walking up stream and again scrambling along a river.
- Assault Course, with a zip wire and tunnels.
- Archery.
- Air rifle shooting.
- Abseiling, starting down a climbing wall and ending down a 110ft cliff onto the beach.
- Scuba Diving, using the electric trams and local transport out to Port Erin where the boys got to dive in the sea.
- Cycling skills on a cycle track.
- Sailing, canoeing, sea kayaking, power boat skills, raft building.
- Survival skills, skinning and cooking a rabbit, building shelter and building fires.
- Team building activities like create building.

The boys all had a great week and here are some photos of some of their adventures.

Alderley's Got Talent

We had quite a successful meeting on Saturday 19th November. I do feel people have the wrong impression though so I am just going to run through the plans for the evening.

During the first half of the evening each Group will perform. This is a competition and it would be great if you can involve all sections in your act, song, sketch etc.

Your performances will be judged.
The aim is for everyone to have a bit of fun.

The theme of the judging panel will be based on Briton's Got Talent. It is important for each Group to identify their act, with a rough estimate of time so I can plan the first half a little more accurately. This would be practised within your group. If you are in any doubts at all please contact me on toombsjackie@googlemail.com

The second half of the evening will consist of a few small sketches put together by us. Please could you ask any of your group if they would like to take part in this as we cannot pull this off without your help?

There are not many sketches in the second half – about an hour's worth.

We are looking for people who wish to take part in the second half, people to help set up the hall during the day, people to work back stage arranging the acts, people to help with costumes (luckily there won't be many costumes to find/make), people to help with make up, and people who are willing to help build the set.

If you fall into any of these categories, please come to the next meeting, which is at the Festival Hall, Alderley Edge (next door to Alderley Scout Hut) on Sunday 11th December 2011 at 2pm.

Again if you have any problems or any questions please contact me
email: toombsjackie@googlemail.com
Home No: 01625-540290
Mobile No: 07889733652

The performance will take place at the Festival Hall in Alderley Edge
on Saturday 28th January 2012 starting at 6:30pm.

There will be a licensed bar.

We will also be holding a raffle (donations for the raffle will be gratefully received).
We also plan to have a cake stall for the interval so any volunteers wishing to make some cakes for the stall would be brilliant.

The ticket price is £3 per adult and £1 per child.

Thank You

CENTENARY DISTRICT SWIMMING GALA
(47th ANNUAL GALA)
26th November 2011

11 teams took part in the Centenary District Swimming Gala at Macclesfield Leisure Centre on Saturday afternoon 29th November.

There was indeed a revival of the EXPLORER competition due to both Viking and Edge Explorers who went head to head in a very close competition.

A lively vocal afternoon was had by all those who attended including a very closely fought Fun Relay with a Scout and Cub on a mat being pushed by a Leader- just won by Holmes Chapel Dane; and also the heroic team of 2 Cubs from 5th Wilmslow who showed their loyalty and managed 2 points for their efforts.

The Scout Active Support entered into the theme of 'Edwardian' to celebrate our centenary with gusto – by having moustaches (at least the men did!!). Only 2 willing Scouts entered the Edwardian parade - complete in naval uniform and maid (and moustaches) – and WON A PRIZE!!

A lot of fun was had by the competitors, the organisers, and the many parents and supporters. Thanks to the Scout Active Support who organised the event and the willing District Helpers.

Unfortunately, this event is now only getting support from half the number of scouting teams of a couple of years ago, and the future of the event will be debated.

The trophies were presented by the DC Steve Buckley.

County Swimming Gala - November 2011

A team of Cubs and Scouts from 1st Holmes Chapel proudly represented Alderley District at the recent County Swimming Gala at Woolston.

The competition was, as always, extremely high yet all of our swimmers were undaunted and each and every one that took part swam their best. Almost all our swimmers were placed in their heats so had another opportunity to swim in the finals. This was an amazing feat considering most of our team were not club swimmers, and some were competing in their first ever swimming gala.

Our Cub freestyle team won their final and were rewarded with medals in the closing ceremony. Alderley District was not placed in the top three teams in the County but we were rewarded with a much more special accolade – the most enthusiastic supporting team! Whenever one of our team members was racing, our boys and girls shouted at the tops of their voices, and I am sure this encouragement helped everyone swim that little bit faster.

1st Holmes Chapel is looking forward to representing Alderley again next year at the County Gala following our success in the District Swimming Gala.

Beaver and Cub Fun Days

"Two exciting events are being planned for next year 2012 to tie in with the Cheshire Challenge. These will be joint Fun Days at Forest Camp with half the Districts attending on each day:

1. **14/15 July 2012** for all Beaver Scouts and younger Cub Scouts up to 9.5 years.
2. **22/23 September 2012** for older Cub Scouts (over 9.5 years) and young Scouts up to 12.5 years.

The first joint event is to be called "OLYMPUSS" (based on Cheshire the Cat from the Challenge). The second joint event is to be called "BORN SURVIVOR" as it is themed around survival skills.

Guess what? We are on the lookout for like-minded adults to join in the "Cheshire Challenge" too and gain their badges. If you fancy having fun on one, two, three or maybe all four days, please keep these dates free."

More details will follow shortly.

Scout Community Week 2012

You may have heard that Scout Community Week 2012 has been launched. The date is 14-20 May, 2012. The idea is that Scouts do one or more projects in the community. (The link to a press release is <http://scouts.org.uk/news/450/scout-community-week-launches>)

I have made contact with Emma Houghton, Community Projects Officer, at the Bollin Valley Partnership.

She replied to me: "The scout community week sounds great and is perfect timing for balsam bashing! I could definitely run some bashing events within the Bollin Valley that week. If you let me know which scout groups might be interested in some conservation work, I can get some locations sorted and depending on numbers, either have one or two 'big bashes' or a few smaller ones. If anyone wants to know more about balsam bashing, I can talk to them"

If you are interested in joining in, please e-mail her direct on emma.houghton@cheshireeast.gov.uk or contact me on ian.iross@btinternet.com

The Quest of the Golden Arrow

As you will be aware I am collating various items re the History of Alderley District Scouts

One thing I received was a tape called The Quest of the Golden Arrow, which traces the history of the Scouting Movement. I have had this put on a CD and have just viewed it. A bit shaky at times but it provides a fascinating glimpse in the creation and development of the Movement we all belong to.

I have passed this on to our President for him to view. When it is returned it will be available to anyone who wants to see it or take a copy.

Please let me know if you want access.

Swimmer Badge testing at Wilmslow Leisure Centre Saturday 3rd March 2012.

There will be three sessions starting at 5.40pm, 6.20pm and 7pm. Swimmers aiming for Swimmer Badge Stages 4 or 5 need to be in one of the two earlier sessions. Cost £4 per swimmer, including one Swimmer Badge.

There is a limit on the number of swimmers we can manage, but it would be great to be able to award 100 badges in our Centenary Year.

Please send in your entries before 15 February.
Adult help at front of house or at poolside will be welcome.
Please contact Ian Ross on ian.iross@btinternet.com for more information or to make a booking.

Make a Difference Day

Every Autumn Holmes Chapel Scout Group takes part in Make A Difference Day with CSV.

This year our Beavers planted daffodil bulbs, whilst Cubs and Scouts helped clear branches and fence posts as the start of Holmes Chapel Parish Council's Dane Valley Project, the aim of which is to improve the public land near the River Dane, making it more accessible. As a reward for our work, Parish Councillors provided a BBQ. Local MP Fiona Bruce visited whilst we were working.
